

NATHANIEL KING

nking6506@gmail.com
(260)-479-0342
Charlotte, NC

A well-rounded applicant with a wide array of interests, coupled with a consistent drive for betterment in any field of practice, who strives to uplift those they work with in a genuine effort to better the lives of those they create for.

EXPERIENCE

Research Assistant & Teaching Assistant

University of North Carolina @ Charlotte
Charlotte, NC

2024 - 2026
current

*Designed & fabricated working models, prototypes, and design documents related to research endeavors.
Collaborated with students, professors, and working professionals of different types & levels of expertise.
Regularly lead lecturing & tutoring sessions for students, expanding on questions and gaps in understanding.*

Architectural Intern & Architectural Designer

Design Collaborative
Fort Wayne, IN & Charlotte, NC

2022 - 2025

*Developed an ability to speak for my designs decisively, while remaining receptive to actionable critique.
Showcased designs to clients through renderings, sketches, drawings, and spoken-word presentations.
Continually expanded my design acumen, understanding the value of continuing education on and off the clock.*

EDUCATION

Master's of Architecture (MArch)

Master's of Science w. concentration in Sustainable Building Technology

University of North Carolina @ Charlotte
Charlotte, NC

2024 - 2026
in-progress

Presently enrolled in concurrent Graduate Architecture Programs at the University of North Carolina @ Charlotte with the intent to achieve dual Master's degrees in June 2026.

Bachelor's of Science in Architecture

Ball State University
Muncie, IN

2019 - 2023

*Graduated cum laude with an Honors Bachelor's of Science degree in Architecture from Ball State University.
Awarded back-to-back design competition awards in 2021 & 2022 for exceptional performance in the IHLA Wood Design Competition and the MKM Steel Design Competition.*
